neoLab Multi joint for coaxial and parallel connections, black anodised | 2-4134

Product Images

Description

Choose your suitable workstation tripod.

Single and set up elements for tripod rods 12 mm Ø in excellent quality.

The plate feet (1+2) can be fixed or unfixed placed.

The span joints can be tied up without great strain and can be easily unfixed.

The multi-joint can be brought in a radius of 360° in every position as wished.

Colour: anthracite resp. black anodised
