Product Images

Description

- Material test weight: polished stainless steel
- **Note:** Shipping weights without a protective case can very likely result in damage to the weights that exceeds the respective permissible error limit. In the worst case, your weights may become unusable. Therefore, we offer you the appropriate protective and storage cases that prevent damage and keep your weights safe during their service life. Should you nevertheless wish your weights to be shipped without such a protective case, please confirm this to KERN in writing.
