Description

During autoclaving or sterilization, labels for successful verification and identification must not be missing. With the **indicator** labels, instruments, devices, containers and waste bags can be easily and professionally marked.

The labels seamlessly document sterilization or autoclaving processes for the highest quality.

- Suitable for laser printers
- Labels on sheets
- with STEAM indicator
- single self-adhesive, label size: 65 x 40 mm (21 labels per sheet)
