neolab® safety stepladder 3 steps, standing height 0.69 m

€302.80
plus VAT &
Shipping

Product Images

Description

Safety stepladder made of aluminum, TÜV approved.

Extra wide treads (36 x 23 cm) with rounded edges and a non-slip plastic covering ensure a safe footing.

The plastic feet have a large contact surface.

When folded, the stepladders make themselves extremely small!

The dimensions in the table refer to the clearing dimensions.

Additional Information

No.	2-6620
Manufacturer (Brand)	neoLab
EAN	4058072008161
