**neolab® safety stepladder 4 steps, standing  
height 0.92 m, safety bar**

**€418.50  
plus VAT &  
Shipping**

## Description

---

Safety stepladder made of aluminum, TÜV approved.

Extra wide treads (36 x 23 cm) with rounded edges and a non-slip plastic covering ensure a safe footing.

The plastic feet have a large contact surface.

The model with 5 steps has a foldable safety bar.

When folded, the stepladders make themselves extremely small!

The dimensions in the table refer to the clearing dimensions.
