**neolab® safety stepladder 5 steps, standing
height 1.15 m, safety bar**

**€553.00
plus VAT &
Shipping**

Description

Safety stepladder made of aluminum, TÜV approved.

Extra wide treads (36 x 23 cm) with rounded edges and a non-slip plastic covering ensure a safe footing.

The plastic feet have a large contact surface.

The model with 5 steps has a foldable safety bar.

When folded, the stepladders make themselves extremely small!

The dimensions in the table refer to the clearing dimensions.
