Description

Whether with magnet or colorful board markers, the neoLab whiteboard is versatile to fill!

No laboratory or office is imaginable without the neoLab whiteboard. Whether syntheses, experimental set-up sketches or evaluated data; or also duty rosters, marketing or personnel strategies can be optimatl graphically represented. The advantage is the fast visualization of ideas and its easy handling.

Board surface made of plastic-coated sheet steel, frame made of silver anodized aluminum, corner joints in gray.

Board surface magnetic, writable and dry-wipeable; can be used in portrait or landscape format, sliding tray.

Can be used as a writing and magnetic board to clearly display information and notes.
