Product Images

Description

Transporting is a "clax" with the foldable, double-deck transport cart.

- folds up and down quickly
- two stable shelves
- upper shelf suitable for transporting folding boxes; with integrated retaining straps
- upper folding shelf removable

- easy running due to comfortable tires and movable castors
- very good maneuverability due to adjustable handle bar
- Parking brake on the rear wheels
- stable construction made of aluminum and plastic
- Delivery includes a folding box
