### Product Images

## Description

---

The neoLab handheld battery vacuum cleaner effortlessly vacuums dust and liquids. The runtime of the 7.4 Li-Ion battery is approx. 18 minutes. With easy-to-clean permanent filter, charge indicator light and overcharge and deep discharge protection. With rubber nozzle and crevice nozzle with additional brush attachment. The practical wall mount serves to store the device and as a charging station.

**Due to the integrated permanent filter, no additional costs for bags or filters are required.** A replacement filter (2-5048) is available for changing upon request.
