### Product Images

## Description

---

- Convenient leveling of the weighbridge as well as access to the junction box from above
- Evaluation unit: stainless steel, dust and splash water protection IP65
- Table base incl. wall bracket for the evaluation unit as standard equipment
- Note: For verified scales, the weighing bridge must be fixed to the floor. Optionally by a drive-on ramp, a pair of foot plates or a pit frame
- For legal-for-trade models, limited tare range 1/6 of
- Shipment by forwarding agency. Please ask for dimensions, gross weight, shipping costs
- Our large and heavy KERN floor scales are shipped in a sturdy wooden box for safe transport and protection of the measuring equipment
