KERN hanging scale HDB, 30 kg

€85.00
plus VAT &
Shipping

Description

- With the TÜV mark of conformity, the scales meet the requirements of EN 13155 (loose load receptors) and EN 61010-1 (electrical safety)
- NEW: KERN HDB now also available as high capacity XL version. The larger design creates space for a large handle, which allows even better handling especially with heavier loads
- Ideal for fast checkweighing in incoming and outgoing goods departments
- Indispensable also in the private sector for determining the weight of fish, game, fruit, bicycle parts, suitcases, etc.
- Hold function: For convenient reading of the weight value, the display can be "frozen" in various ways. Either automatically when the scale stops weighing or manually by pressing the Hold key
- Peak load display (peak hold)
- Hook, steel, foldable

Additional Information

No.	KP-4357
Manufacturer (Brand)	KERN
EAN	4058072139858
Transport temperature	Room temperature
Color	light gray dark gray
Readability	20 g
Operation via	Membrane keypad
Energy supply	Power grid
Weighing range MAX	30 kg
Manufacturer	CORE
Type scale	Suspension scale
