KERN crane scale HFB, 300 kg

**Price on
request
plus VAT &
Shipping**

Product Images

Description

- With the TÜV test mark, the scale complies with the requirements of EN 13155 (loose load receptors/breakage safety) and EN 61010-1 (electrical safety) standards
- Second display on the back of the scale
- High mobility: thanks to battery operation, compact design and low weight, suitable for use at several locations (production, warehouse, shipping, etc.)
- Hook with safety lock, rotatable
- Shackle and hook lock made of nickel-plated stainless steel
- Hold function: when weighing stops, the weight display is automatically "frozen" until the HOLD button is pressed
- Tare: Resetting the display to "0" when the scale is loaded. Now removed or added loads are displayed directly
- Radio remote control as standard. Range up to 20 m. All functions are selectable (except ON/OFF). W×D×H 48×10×95 mm.
