KERN crane scale HFO, 1,500 t

**Price on
request
plus VAT &
Shipping**

Description

With the TÜV mark of conformity, the scale meets the requirements of EN 13155 (loose load receptors/breakage safety) and EN 61010-1 (electrical safety) Professional device for robust applications in production, quality control, logistics, etc. Due to the stable construction and rugged design, ideally suited for permanent use in industrial environments High mobility: thanks to battery operation, compact design and low weight, suitable for use at several locations (production, warehouse, shipping, etc.) Adaptation to unstable ambient conditions by changing the readability Fine display: by pressing the key, the readability can be increased by 1 digit for 5 seconds, only for models with verification approval Hold function: when the weighing stops, the weight display is automatically "frozen" until the HOLD key is pressed Tare: Resetting the display to "0" when the scale is loaded. Now removed or added loads are directly displayed Hook with safety lock, rotatable Radio remote control standard. Range up to 20 m. All functions are selectable (except ON/OFF). W×D×H 48×10×95 mm. Batteries included, 2× 1.5 V AAA Superior display size, digit height 30 mm, luminous with high contrast for comfortable reading of the weight value even in unfavorable lighting conditions Battery operation internal, standard, operating time up to h without backlight, charging time approx. 14 h

Additional Information

No.	KP-4389
Manufacturer (Brand)	KERN
EAN	4058072140144
Transport temperature	Room temperature
Color	light gray dark gray
Readability	500 g
Operation via	Membrane keypad
Energy supply	Power grid
Weighing range MAX	1 t
Manufacturer	CORE
Type scale	Crane scale
