KERN crane scale HFO, 6 t

**Price on
request
plus VAT &
Shipping**

Description

- With the TÜV mark of conformity, the scale complies with the requirements of EN 13155 (loose load receptors/breakage safety) and EN 61010-1 (electrical safety)
- Professional device for robust applications in production, quality control, logistics, etc.
- Ideally suited for long-term use in industrial environments thanks to its sturdy construction and robust design
- High mobility: thanks to battery operation, compact design and low weight, suitable for use at several locations (production, warehouse, shipping, etc.)
- Adaptation to unstable ambient conditions by changing the readability
- Fine display: by pressing the key, the readability can be increased by 1 digit for 5 seconds, only for models with verification approval
- Hold function: when the scale stops weighing, the weight display is automatically "frozen" until the HOLD key is pressed
- Tare: Resetting the display to "0" when the scale is loaded. Now removed or added loads are displayed directly
- Hook with safety lock, rotatable
- Radio remote control as standard. Range up to 20 m. All functions are selectable (except ON/OFF). W×D×H 48×10×95 mm.
- Superior display size, digit height 30 mm, bright with high contrast for comfortable reading of the weight value even in unfavorable lighting conditions
- Battery operation internal, standard, operating time up to h without backlight, charging time approx. 14 h

Additional Information

No.	KP-4391
Manufacturer (Brand)	KERN
EAN	4058072140168
Transport temperature	Room temperature
Color	light gray dark gray
Readability	2 kg
Operation via	Membrane keypad
Energy supply	Power grid
Manufacturer	CORE
Type scale	Crane scale
Weighing range MAX	6 t
