Description

Reversible display with backlighting Can be mounted on all SAUTER test stands RS-232 data interface, including standard attachments: as shown, extension rod: 90 mm Supplied in robust carrying case Selectable units: N, lb, kg Peak hold function for recording the peak value or track function for continuous measurement display Measurement with tolerance range (limit value function): Upper and lower limit programmable, in tension and compression direction. The measuring process is supported by an acoustic and optical signal Auto-Power-Off Internal data memory for up to 10 measured values Mini statistics package: averaging of up to 10 stored measured values, as well as min, max, n

Additional Information

No.	KP-4228
Manufacturer (Brand)	KERN
EAN	4058072138660
Transport temperature	Room temperature
Color	light gray
Readability	0,01 N
Weighing range MAX	50 N
Manufacturer	CORE
Type scale	Force gauge
Weighing units	Newton
