Product Images

Description

- Reversible display with backlighting
- Peak hold function for recording the peak value or track function for continuous measurement display
- Metal housing for long-term use in robust environments
- Can be mounted on all SAUTER test stands
- Capacitance display: a rising luminous band indicates the measuring range still available
- Measurement with tolerance range (limit value function): Upper and lower limit value programmable, in tension and compression direction. The measuring process is supported by an optical signal
- Internal data memory for up to 500 values
- Continuous analog output: Linear voltage signal depending on load (-2 to +2 V)
- KERN FL 2K: with external load cell, tension lugs and pressure plates included in delivery
- Standard attachments: as shown
- Selectable units: N, kN, kg, oz, lb

Additional Information

No.	KP-4278
Manufacturer (Brand)	KERN
EAN	4058072139117
Transport temperature	Room temperature
Color	light gray
Readability	0,01 N
Weighing range MAX	25 N
Manufacturer	CORE
Type scale	Force gauge
Weighing units	Newton
