## KERN Baby Scale MBB, 6 kg | 15 kg

**Price on  
request  
plus VAT &  
Shipping**

### Product Images

## Description

---

- Calibration class III (calibration optional)
- Medical approval according to 93/42/EEC
- Large, ergonomically optimized lying surface for safe weighing of infants
- Removable lying surface, can therefore also be used as an infant scale
- Robust ABS plastic. Hygienic and easy to clean
- Safe and slip-free positioning due to rubber feet
- Bubble level for exact leveling of the scale as a standard feature
- Dynamic weighing function to determine a stable weighing value, ideal for restless lying babies
- Hold function: For restless patients, a stable weight value is determined and frozen by averaging. This leaves enough time to devote to the little patient and then read off the weight value in peace and quiet
- Battery and mains operation possible
- Wall mounting bracket for wall mounting of the evaluation unit as standard

## Additional Information

---

No.	KP-4687
Manufacturer (Brand)	KERN
EAN	4058072142872
Transport temperature	Room temperature
Color	light gray dark gray
Readability	2 g
Operation via	Membrane keypad
Energy supply	Power grid
Material weighing plate	Plastic
Weighing range MAX	15 kg
Manufacturer	CORE
