**Shipping**

### Product Images

# Description

- Calibration class III (calibration optional)
- Medical approval according to 93/42/EEC
- The bestseller for medical practices, pharmacies and hospitals: enormously time-saving in use – simply tap, set up, read off
- Robust design for daily use in professional environments
- Ergonomically optimized design
- Hygienic and easy to clean
- Safe and slip-free set-up due to height-adjustable rubber feet
- Bubble level for exact leveling of the scale as standard equipment
- Large tread surface with non-slip and abrasion-resistant plastic surface, for optimum patient stability
- Medical scale MPD 200K-1EM
- Identical to MPD 250K100M but without backlight and power adapter, battery operation only, faster display speed due to reduced resolution. Especially attractive price!
- MPD: battery and mains operation possible, battery operation optional
- In the EU, calibration is required by law for scales intended for use as medical devices, please order at the same time. For this we need installation site and zip code.

# Additional Information

No.	KP-4726
Manufacturer (Brand)	KERN
EAN	4058072143190
Transport temperature	Room temperature
Color	light gray dark gray
Readability	100 g
Operation via	Membrane keypad
Energy supply	Power grid
Manufacturer	CORE
Material weighing plate	Plastic
Type scale	Personal scale
Weighing range MAX	250 kg
