## KERN personal scale MPL, 250 kg

**€220.00**  
**plus VAT &**  
**Shipping**

## Description

---

- This personal scale is the ideal measuring instrument for geriatric care, paramedicine, fitness clubs or private use, including weighing in the obese range up to 250 kg
- The stand, which is firmly connected to the scale, makes it easy to operate and read the weight value even in unfavorable lighting conditions
- Stable glass weighing plate for a safe and comfortable stand
- Hygienic and easy to clean
- Particularly flat design facilitates stepping on the scale
- Simple operation: touch - set up - read off
- Integrated AUTO-OFF function for battery saving
- Only MPL: BMI function for determining underweight/normal weight/overweight
- Large, high-contrast display, makes reading easier
