Product Images

Description

- Many typical laboratory functions, such as recipe function, percentage determination, GLP logging and the high precision make the KERN KB a reliable partner for the daily work in the laboratory
- Step by step operation via yes/no dialog in the display
- Freely programmable weighing unit, e.g. display directly in thread length g/m, paper weight g/m², etc.
- Ring-shaped draft shield as standard, only for models with weighing plate size Ø 81 mm, weighing chamber Ø×H 90×40 mm
- Dust cover included in delivery
- Models with resolution $\geq 240,000$ points and models with verification approval: Level indicator for exact leveling of the balance as standard equipment
- To make it easier for you to make the right choice of your KERN scale, we have listed a quality code for each model, which is made up of two quality features and provides you with a further decision-making aid for the perfect scale for your application, in addition to the product features, technical data and pictograms.

Additional Information

No.	KP-4547
Manufacturer (Brand)	KERN
EAN	4058072123666
Transport temperature	Room temperature
Color	light grey grey
Readability	100 mg
Operation via	Membrane keypad
Weight	2.2 kg
Reproducibility	100 mg
Material weighing plate	Stainless steel
Weighing range MAX	6 kg
Manufacturer	CORE
Type scale	Precision scale
