KERN precision scale PNJ, 620 g

€950.00
plus VAT &
Shipping

Product Images

Description

- pNJ only: Internal automatic calibration, guarantees high accuracy and makes independent of location. Ideal for mobile, legal-for-trade applications, such as ambulatory gold and jewelry purchasing
- pNS only: CAL adjustment program for setting accuracy using an external test weight
- High-quality tuning fork weighing system for fast display of the weight value, precise dosing and high mechanical ruggedness
- Capacity display: A rising luminous band indicates the still available weighing range
- Accurate counting: Automatic reference optimization gradually improves the average value of the part weight
- Compact dimensions, advantageous where space is limited
- Large, shock-resistant stainless steel weighing plate
- Large glass draft shield with 3 sliding doors for convenient access to the sample, for models with weighing plate size Ø 140 mm, weighing chamber W×D×H 172×171×160 mm
- Dust cover included in delivery
- To make it easier for you to make the right choice of your KERN scale, we have listed a quality code for each model, which is made up of two quality features and, in addition to the product features, technical data and pictograms, provides you with a further decision-making aid for the perfect scale for your application.

Additional Information

No.	KP-5414
Manufacturer (Brand)	KERN
VGKL number	105837504
EAN	4058072149352
Transport temperature	Room temperature
Color	light grey grey
Readability	1 mg
Operation via	Membrane keypad
Weight	5.57 kg
Reproducibility	1 mg
Scales features	with switchable weighing units
Material weighing plate	Stainless steel
Weighing range MAX	620 g
Manufacturer	CORE
Type scale	Precision scale
