Product Images

Description

- Particularly suitable for school and teaching use, e.g. biology, chemistry, physics
- Large, shock-resistant plastic weighing plate, with conductive paint finish
- Particularly flat design
- Ergonomically optimized control panel with large keys and high-contrast LCD display
- Safe and slip-free installation due to rubber feet
- CAL calibration program for setting accuracy, external test weights available at extra cost
- Draft shield as standard for models with weighing plate size Ø 105 mm, weighing chamber W×D×H 145×145×65 mm
- To make it easier for you to make the right choice of your KERN balance, we have listed a quality code for each model. This code is made up of two quality features and, in addition to the product features, technical data and pictograms, provides you with a further decision-making aid for the perfect balance for your application.

Additional Information

No.	KP-4071
Manufacturer (Brand)	KERN
EAN	4058072137373
Transport temperature	Room temperature
Color	light grey grey
Readability	1 mg
Operation via	Membrane keypad
Weight	2.19 kg
Reproducibility	2 mg
Scales features	with switchable weighing units
Weighing range MAX	300 g
Manufacturer	CORE
Type scale	Laboratory balance
