### Product Images

## Description

---

- High-resolution pocket scale with particularly fast response and settling time, enabling very efficient operation
- Particularly flat design
- Cover made of impact-resistant plastic as pressure and dust protection. Can also be used as a weighing vessel
- Weighing plate stainless steel, hygienic and easy to clean
- Note: The models are only supplied in sets of 5. I.e. the prices given in the table refer to a delivery of 5 pieces each. Individual delivery not possible. The calibration prices indicated refer to the calibration of a single scale

## Additional Information
