Product Images

Description

- Suitable for the increased hygienic requirements in the food industry, pharmaceutical industry and chemical industry
- Suitable for rough industrial use
- Supports you in your HACCP-compliant quality system
- High mobility: thanks to battery operation, compact design and low own weight, suitable for use in several locations such as production, kitchen, sales room, etc.
- Stainless steel design of housing and weighing plate. Easy to clean thanks to smooth surfaces
- Recessed grips on the underside for easy transport of the scale
- Dust and splash water protection IP65 (only in battery mode)
