Product Images

Description

- Suitable for the increased hygienic requirements in the food industry
- Supports you in your HACCP compliant quality system
- Dust and splash water protection IP65 (only in battery mode)
- Very fast display: stable weighing values within approx. 2 sec
- Second display on the back of the scale
- Compact dimensions, advantageous where space is limited
- Innovative weighing with tolerance range (checkweighing): The color of the display changes depending on the weighing result (too light/ok/too heavy) and thus supports portioning, dosing and sorting
- High mobility: thanks to battery operation (optional) and compact, flat design suitable for use at several locations
- Recessed grips on the underside for convenient transport of the scale
- Protective work cover included in the scope of delivery

Additional Information

No.	KP-5591
