Product Images

Description

Accurate counting: Automatic reference optimization gradually improves the average value of the part weight
Programmable via keypad: - desired reference piece count - known reference weight
Three displays for weight indication (verifiable), reference weight, total piece count
Acoustic fill-to-target: target piece count or target weight programmable, e.g. for checkweighing. When the target value is reached, a signal sounds
Counting total memory: for adding up equal counted parts in total piece and total weight
Energy management: backlighting off after 5 sec
PRE-TARE function for manual preweighing of a known container weight, this can be stored
Two scales in one: switchover from counting mode to weighing mode at the touch of a key
Protective work cover included in delivery
Note: Official verification is mandatory in commercial transactions

Additional Information

No.	KP-3961
Manufacturer (Brand)	KERN
VGKL number	105830605
EAN	4058072136390
Transport temperature	Room temperature
Color	light gray/dark gray
Readability	500 mg
Operation via	Membrane keypad
Energy supply	Power grid
Material weighing plate	Stainless steel
Weighing range MAX	6 kg
Manufacturer	CORE
Type scale	Counting scale
