KERN CXB counting scale, 6 kg

€380.00
plus VAT &
Shipping

Product Images

Description

- Accurate counting: Automatic reference optimization gradually improves the average value of the part weight

Programmable via keypad:

- desired reference piece count
- known reference weight
- Three displays for weight indication (verifiable), reference weight, total piece count
- Acoustic fill-to-target: target piece count or target weight programmable, e.g. for checkweighing. A signal sounds when the target value is reached
- Counting total memory: for totalizing equal counting parts in total piece and total weight
- Energy management: backlight off after 5 sec
- PRE-TARE function for manual pre-weighing of a known container weight, this weight can be stored in memory
- Two scales in one: switch from counting mode to weighing mode at the touch of a button
- Dust cover included in delivery
- **Note:** Official verification is mandatory for commercial use

Additional Information

No.	KP-3962
Manufacturer (Brand)	KERN
EAN	4058072136406
Transport temperature	Room temperature
Color	light gray dark gray
Readability	2 g
Operation via	Membrane keypad
Energy supply	Power grid
Material weighing plate	Stainless steel
Weighing range MAX	6 kg
Manufacturer	CORE
Type scale	Counting scale
