### Product Images

## Description

---

Titrette® is the first bottle-top burette within Class A error limits for glass burettes. It also features easy drop-by-drop titration, compact design, highest precision, exchangeable dosing unit and an optional PC interface. With the Titrette® bottle-top burette, you can titrate quickly and reliably even where space is limited and independently of the power supply - in the laboratory, in production or on the road. In detail:

The operating elements of the Titrette® bottle-top burette are clearly arranged. Separate keys for on/off, pause, and CLEAR for clearing the display and selecting functions. Easy-grip handwheels and a smooth-running precision gear for fast to drop-by-drop titration make handling safer and particularly simple.

## Additional Information

No.	BN-1440
Manufacturer (Brand)	Brand
VGKL number	104960141
EAN	4058072208103
Gross weight	1.1459
HSNumber	84798997
Storage temperature	Room temperature
Transport temperature	Room temperature
Net weight	0.81750 kg
Volume	10 ml
Country of origin	Germany
Packing width	0.25000 m
Packing height	0.12500 m
Packing depth	0.29900 m
Packaging volume	9343.750000 ccm
Customs tariff number	84798997
Measurement deviation systematic in %	0.1 %
Measurement deviation systematic in µl	10 µl
Measurement deviation random in µl	5 µl
