€88.60
plus VAT &
Shipping

Product Images

Description

Shapely **hand magnifier**, best suited for reading small print; easy handling. Scratch-resistant lens, high visual comfort.

The most suitable color temperature and light intensity can be preset by 3 included stretchable filters. No need to change the lamp and the LED illumination has a lifetime of about 50,000 hours.

- Up to 10x longer battery life than using a conventional bulb
- Bright, homogeneous illumination due to SMD-LED and collimation optics
- incl. case for attaching to the lens
