neolab® scalpel handle ergonomic, 160 mm long

€41.00
plus VAT &
Shipping

Product Images

Description

A new ergonomic handle has been added to the range of scalpel handles.

The handle, made of plastic, enables low-fatigue work over a longer period of time. The ergonomic shape lies well in the hand and offers various ways of holding the handle. This allows different cutting movements to be performed.

The scalpel handle No. 6 is not suitable for sterile processing.

Accessories: Protective cap (Order No. 2-7124)
