neolab® SnapIt ampoule opener, Personal, Regular, blue

€36.70
plus VAT &
Shipping

Product Images

Description

SnapIt - The easy and safe way to open glass ampoules. Protect yourself from contamination risks and cuts. Simply insert the ampoule neck into the SnapIt ampoule opener, bend to open the ampoule, the ampoule neck can then be safely dropped into the waste container. The SnapIt ampoule opener is easy to clean and can be autoclaved if necessary. The flat side on the SnapIt Trolley prevents the ampoule opener from rolling away.

Additional Information
