Description

Slides with 3 reaction fields of 14 mm ø, blue color mask, with one-sided frosted rim 20 mm, packed in boxes of 50 pieces, for applications according to EU Regulation 2017/746 for in vitro diagnostics (IVDR), with CE mark, recommended use date and lot number for comprehensive information and traceability Minimum order quantity: 200 pieces Our slides with reaction fields are produced to order due to the large number of masks offered and due to the limited shelf life. Thus, you will always receive freshly produced slides. For technical reasons, there may be deviations between ordered and produced quantities. Any shortages or surpluses must be accepted and accepted.
