Description

HandyStep® touch

The multiple dispenser from BRAND

The new multiple dispenser from BRAND is the first choice when it comes to efficient dispensing of long series.

HandyStep® touch with the standard modes multi-dispensing, auto-dispensing, pipetting and favorites

At a glance

- Touch operation with intuitive menu guidance and integrated help
- Available as HandyStep® touch or HandyStep® touch S model with extended range of functions
- Languages: English, German, Spanish, French and Chinese
- Variable volume setting from 1.0 µl to 50 ml
- Inductively rechargeable

Enduring

Many hours of continuous operation with just one battery charge

Robust

Long service life due to high-quality materials and easy cleaning/disinfection due to smooth surfaces.

Safe

Automatic size recognition of BRAND PD-Tips II

Efficient

In addition to PD-Tips from BRAND, compatible dispenser tips from other manufacturers can also be used.

Uncomplicated

Automatic tip ejection at the touch of a button avoids contamination.

Convenient

Inductive charging with optional charging stand

Step button

Ergonomically positioned step button for effortless volume pick-up and dispensing

Additional Information

No.	BN-2614
Manufacturer (Brand)	Brand
EAN	4058072217457
Transport temperature	Room temperature
autoclavable at 121°C	No
Color	White
Material	Polycarbonate (PC) Polypropylene (PP)
Volume MAX	50 ml
Volume MIN	1 µl
sterile	No
Display (reading, setting)	graphic display
Operation via	Touchscreen
Dispenser properties	batteries/battery included with charging station with dispensing function with certification ergonomically shaped
Number of channels	1
Number of parts in set	5
