Product Images

Description

Original Gilson pipette tips for all Gilson PIPETMAN microliter pipettes.

All pipette tips, Tipack Racks and Tower Racks are autoclavable at 121°C.

The color coding of the tip containers corresponds to the color coding of the individual Pipetman models, so that the right tip can be found in no time.

Tips made of crystal clear polypropylene, each tip marked in two places according to its volume.

TOWERPACK™

Refill system for universal box, saves space and plastic, autoclavable

10 trays à 96 tips
