Product Images

Description

Original Gilson pipette tips for all Gilson PIPETMAN microliter pipettes.

The color coding of the racks corresponds to the color coding of the individual pipetman models, so that the matching tip can be found in no time.

Tips made of crystal-clear polypropylene, each tip marked in two places according to its volume.

Blister Refill™

Sterile, color-coded sealed.

10 trays individually packed with 96 tips each
