## Description

---

The **neolab<sup>AXION®</sup> eye shower** is the ideal solution for industry and laboratories. Wherever chemicals and other substances are worked with that pose a potential hazard to humans and the environment, eye showers are a must.

### Increased safety

The flow and spray technology of <sup>AXION®</sup> technology also ensures increased safety and better cleaning of the eye compared to conventional eye showers. Reverse wash streams clean the eyes by gently removing contaminants from inside the eye and nasal cavity.
