## Description

---

**Plum Wound and Eye Spray** with sterile 0.9% sodium chloride solution provides you with fast and effective help in treating minor wounds such as scratches and cuts on the skin or dust and dirt in the eye. Plum Wound and Eye Spray is easy to carry around and easy to use with one hand. It can be used multiple times and remains sterile. Spraying is possible from all directions. The spray is strong enough for cleaning wounds and gentle enough for rinsing eyes. Ideal for industry, manufacturing, laboratories, hazardous materials transportation, first responders, firefighters, military, emergency services and emergency relief.

### PRODUCT FEATURES

- Quick and easy operation with one hand
- Can be used multiple times and remains sterile
- Hypoallergenic and preservative free
- Total spray time when can is completely filled is approximately 15 minutes
- Environmentally friendly and fully recyclable – classified as a non-flammable aerosol
- Bottles are CE marked and have a shelf life of 3 years
- Contains sterile sodium chloride solution (0.9 %)

## Additional Information
