Product Images

Description

First aid case with basic filling according to DIN 13157 and occupational additional equipment.

The case is made of orange ABS plastic and provided with the necessary color pictograms. Dimensionally stable, impact-resistant, temperature-resistant, splash-proof, dust-proof, maintenance-free. Wall mount with 90° stop lock.

Dimensions: 40 x 30 x 15 cm (L x W x D)

The sterile dressing materials are CE marked with the date of manufacture and a shelf life of 20 years.

The further SPECIAL contents result from the occupation-specific different requirements. Depending on the accident risk and requirements, these include, for example, immediate eye rinsing, respiratory mask, cooling spray, disinfection, replant bags, special dressings, instruments, etc.
