Description

Allows the detection of leaks in gas pipes and equipment .

Water-based leak detection spray for gases. Meets the requirements of EN 14291 and DVGW (German Technical and Scientific Association for Gas and Water) with the number NG-5170AS0069. The leak detection spray detects gas leaks in pressure pipe and pressure systems. At the site of a gas leak, it forms very visible bubbles. Biodegradable according to OECD 301B: 31%.

Non-flammable, anti-corrosive and kind to the skin.
