## Description

---

Intensive care for highly stressed and sensitive skin.

Skin care with high-quality care substances and refatting properties; economical in use. Spreads well over the entire skin and is quickly absorbed without leaving an irritating greasy film.

**Emulsion type: W/O**

Soothes skin irritations and redness. Effective care due to allantoin, vitamin E, panthenol and bisabolol. Has a skin-soothing effect, stabilizes the acid mantle.

Lotion: **For protection against aqueous solutions and as regenerating care for chapped, heavily stressed skin.**
