neolab® skin protection cream LINDESA, 50 ml

€5.36 As low as

€4.77

**plus VAT &
Shipping**

Description

A natural product with beeswax!

Beeswax is almost insoluble in water and alcohol and poorly soluble in organic solvents. Lindesa is a slightly greasy, quickly absorbed skin protection and care cream. It strengthens the skin's defense function, smoothes and nourishes, and has a normalizing effect on irritated skin areas.

White emulsion, perfumed. pH 6-7.
