Product Images

Description

The 1/4" nominal size quick coupling has a plastic release button, a reduced number of moving parts and a design with smooth contours. It has been extended by coupling variants with valves and protective collars on the release buttons. In order to extend the range of application of the quick coupling and to increase its service life, some models have been built more robustly

- No visible metal parts
- Prevents accidental disconnection
- No leakage, shorter installation length, faster assembly

Additional Information

No.	2-0242
Manufacturer (Brand)	neoLab
EAN	4058072180379
Color	White
Material	Acetal
Form	straight
Length	52.8 mm
