### Product Images

## Description

---

The **neoLab 9/32" nominal** female **quick disconnect couplings** with plastic release button have a high performance valve that provides greater flow capacity than any other coupling of this size. Chemically resistant polypropylene is ideal for use in extreme conditions. Some feature an optional bulkhead fitting for tight mounting to tank walls and drums

- Greater flow despite compact size

## Additional Information

---

No.	2-0803
Manufacturer (Brand)	neoLab
EAN	4058072048006
Color	gray
Material	Polypropylene (PP)
Form	straight
TBST MAX	110 °C
TBST MIN	0 °C
Clutches properties	with external thread
Figure	4
MAX operating pressure	7.2 bar abs.
Connection for counterpart	9/32"
Gender coupling part	female
Thread [connection]	3/8"
Type coupling part	Female coupling part. with male thread
