Product Images

Description

Tube Luer connector with olive and Luer lock cone (m)

Made of natural colored PP, slightly transparent, **autoclavable**. Outstanding quality with constant inner diameter, causes uniform flow rates and tight connection. The olives are worked on the outside of the sealing cone in such a way that solid tubing can also be attached. They expand the hose up to 1.5 times its inner \varnothing .

In a bag of 10 pieces.
