Description

The Univet medical face visor MDU7001 is equipped with a forehead pad made of soft latex-free foam. The thermoformed acetate lens, which can be tilted up to an angle of 90°, is easily replaceable and its anti-fog property allows a perfect view. Respirators and prescription glasses are compatible with use of the visor. - Acetate visor with anti-fog coating - Forehead padding made of soft latex-free foam - Lens marking: U I S N CE - Standards/approvals: EN 166
