Fritsch® Hopper P-15 for long and bulk material

€994.00
plus VAT &
Shipping

Product Images

Description

With the hopper for long and bulk material, a large part of all samples can be fed. This hopper can be used for feeding free-flowing regrind as well as for feeding straw, foils and similar materials to be fed in full length. Alternatively, a sluice hopper with pusher is offered, article no. 15.4300.00 . Due to its push-in device, it enables good handling and excellent material feeding.
