Product Images

Description

OTAL® foot pump with delivery tubes made of PP, resistant to weak acids, alkalis and cleaning agents. The extendable riser tube adjusts to the container height when the foot pump is inserted. This ensures good residual emptying and the foot pump can be used for different containers. Easy handling: both hands remain free for filling Very good pumping capacity due to the large-volume foot pedal bellows With universal plug made of soft PVC, for container openings of 30-70 mm Ø Attention! "Observe list of chemical resistances"!

Additional Information

No.	KL-0554
Manufacturer (Brand)	Bürkle
VGKL number	290520115
Transport temperature	Room temperature
