WELCH® vacuum/pressure pump 2585, 168 l/min, 80, mbar

€1,865.00
plus VAT &
Shipping

Product Images

Description

The 2585 piston pump is ideal for pumping steam, and also for applications with vacuum requirements up to 80 mbar. The pump provides a continuous, reliable and high vacuum. It is lightweight and compact. The pump's oil-free operation requires little maintenance and comes with a liquid trap and mounted vacuum gauge. Note: Not recommended for organic, acidic and basic vapors.

Additional Information
