Product Images

Description

With the Practum® balance, you rely on consistently high accuracy and outstanding repeatability through Sartorius quality and technology. High reliability and durability of the balance due to mechanical overload protection. Practum® offers a 'Supervisor Lock' function to prevent unintentional changes to setup menu settings. Enjoy effortless weighing thanks to the ergonomic and rugged draft shield. Included in delivery: Universal AC adapter, protective cover for operation, application guide, dust cover (for analytical balances only)
