## Description

---

No matter what you are weighing, the new Entris® II scale is always the right choice. Our products incorporate nearly 150 years of German engineering expertise. The two Entris® II scale product lines offer unrivaled value for money, and you're sure to find exactly the scale that meets your individual weighing needs. Our Entris® II Advanced scale series includes more than 38 models that complement the Entris® II portfolio. Benefits include real-time leveling support, integrated safety systems, CalAuditTrail, a graphical touch display and 13 integrated application programs.
